Important
Information

Receipt Processing

Thanks to all who continue to submit their receipts electronically. Unfortunately it looks like we'll be continuing to do so for awhile! Please continue to make note of the following in order to ensure the process runs smoothly:

- Scan receipts to a PDF format and email them to general@pathwaysfamilyservices.com.
- Receipts must be legible and include child's full name (first and last), date, and method of payment. It's okay to write on a receipt as long as no information is being covered up.
- Either label receipts with what the items are (if unclear) and what fund they're to come from (e.g. Recreation), or submit an Expense Reimbursement Form detailing this information with the receipts.
- For long receipts that may be difficult to scan - receipts can be "broken up" into two halves with each being scanned separately - this will ensure information is larger and more legible. Make sure all items are visible.
- For those who cannot submit receipts electronically, please continue to use the mailbox outside Pathways main entrance (on concrete column directly opposite the front door). Receipts and any other paperwork dropped off should be in a sealed envelope or plastic bag labelled "Foster Care."

Deadline for submissions to the December Newsletter is Thursday, November 12th. Email Marla at marla.schole@pathwaysfamilyservices.com with information.

NOTE: Any child placed in your home after October 31st may be reimbursed for the cost of one Christmas gift.

Foster parents should request approval from the Case Worker or CSD Worker, and receipts need to be forwarded to your Foster Care Support Worker.
