Training Reminder

A reminder to all foster parents, if you haven't done so already, please update your email information on OLE. As of August 31, 2021, all caregivers were required to each have their own email address in order to access the Regional online training. Additionally, all Regional online training can only be accessed by a laptop or desktop computer, as the programs used are not compatible with tablets and phones. If you have any questions or concerns, please connect with Kristen by phone or email training@pathwaysfamilyservices.com.
